Principal Report

Framing Writing through the Lens of Oral Language

Last week I represented Mrs Johansen at the final day of professional learning in Sydney for the EAFS writing initiative. Mrs Johansen and Ms Sharwood have been working hard to improve student writing and the results are amazing. Writing will continue to be a focus next year as we implement all our new learning.

Staffing for the remainder of term

Over the next couple of weeks Mrs Wheatley and Mrs Gunther will be helping to cover classes until Mrs McMillan commences in week 7. Normal whole school and classroom routines will remain the same. Teachers will continue to follow the schools scope and sequence. I will cover the K-2 class from Monday through to Wednesday commencing next week and until the end of the year.

Building Interruptions

Over the next few weeks there will be builders working around the school. They will commence on 11th November, starting with the roof of the office admin building. The office will be out of bounds and barricaded off for Work Health and Safety reasons. **Mrs Garth and the office will be in the Library.** Please present to the Library for any matters that would normally go through the office.
