Congratulations to all!

### Parent/Teacher Meetings

These meetings are still on hold due to the current restrictions. We will notify all families when we are able to set a date.

## We Can Keep the Beat

K/1/2 have been having fun during music this term learning about tempo.

## Maths

During Maths K/1/2 have been learning about volume.

## Athletics Carnival

The Athletics Carnival has been postponed until next Tuesday 10<sup>th</sup> August. Sorry for the inconvenience of postponing the carnival again. But with the wet weather we made the decision early for all involved. We will still join with Red Range and Wyalaliba Public Schools, but unfortunately Jennings Public School will not be able attend. Parents are welcome to attend and support their child/ren but will be required to follow the COVID safe practices. There will be no canteen available on the day, so pack normal recess and lunch. Also ensure each student has their own water bottle. The NNE District carnival will be held in Tenterfield instead of Glen Innes on Friday 13<sup>th</sup> August due to Glen Innes King George oval being too wet.

## Maths/Science Day

On Tuesday 17<sup>th</sup> August Wyalaliba, Red Range Public Schools and primary students from Emmaville Central School will be joining us for a fun packed day for Maths and Science activities.

## Jump Rope 4 Heart Fundraiser

Sponsorship forms have been sent home for the big jump off on 6<sup>th</sup> September.

Here's a few ideas for healthy meals that are cheap, delicious, full of everyday foods and will keep you warm in winter!

- Soups – try pumpkin, vegetable, lentil, tomato or minestrone
- Toasted sandwiches – fill them with your favourite everyday fillings like baked beans & cheese or ham, cheese and tomato.
- Mini Pizzas – make them with English muffins or wholegrain wraps
- Slow cooker casseroles – pack them full of vegetables like potato, carrot, celery or pumpkin

Athletics competitions can be traced back as far as 776 BC to the ancient Olympic games. Did you know that the Olympic gold medal is not actually made from gold, instead it is plated with 6 grams of gold.
