## Before and After School Care

Please return your survey by the end of this week. The Contract Manager within the Asset Activations, School Infrastructure department is waiting to collate results in order to put plans in place to meet the needs of our school no matter how big or small the demand is.

## 24 Hour Strike Action

## Soccer Gala Day

This Friday we will have a professional soccer coach come to school from Football Australia to teach us all about soccer. I am sure we will all learn some new skills, so make sure you wear your joggers!

## Upcoming Coffs Coast Adventure Camp

Also attached was 'What to bring' and 'What to wear' information sheet. If you require any further information, contact the office. It will be a fun filled few days with lots of activities such as Archery, Commando course, Fencing, Canoeing etc. Further information and notes will be sent home early next term once everything is finalised.

## Traditional Indigenous Game: Brajerack

**Background:** Many different types of hide-and-seek games were played in Australia and the Torres Strait Islands. A game played in one part of Victoria in the latter part of the 1800s was called brajerack (the wild man). It was essentially a game of hide and seek whereby a player would hide in a wombat hole and would need to be dug out of this hiding place.

**Short description:** A simple game of hide and seek, suitable for younger children.

**Players:** Groups of four or more players

**Playing area:** A designated area suitable to the activity

### Game play and basic rules

- The brajerack hides in the playing area and the other players attempt to find him or her.
- Change around after the brajerack has been caught.

### Variations

- Have a number of brajeracks. After three are caught a new game begins.
- Play at night using torches.
- The brajerack hides somewhere in a hall or designated area and the finders only have 60 seconds to find him or her.
