**Newsletter No. 16****Term 4 Week 7****24<sup>th</sup> November 2023****Principal Report – Ms Carr****School Fees**

Today you will receive a reminder for the voluntary contribution fee of \$35.00. As it says voluntary, it is important to note that at DPS we do not send home an annual equipment, book, or classroom list, instead we supply all the relevant learning materials. We also like to send home students art works, workbooks, and other work samples at the end of the year. All we ask in return is for this small contribution fee.

**Thank You P&C**

I would like to acknowledge and thank the P&C for their commitment to raise funds for our school. Money raised supports opportunities for students to enjoy excursions and additional activities which may not have been possible without the P&C financial support.

**Student Reports**

Student's semester two reports are scheduled to go home in week 9. This is subject to change.

**End of Year Rewards Excursion**

An end of year rewards excursion has been planned for K-6 on Tuesday 5<sup>th</sup> December. This will be a funded excursion. Permission notes with more information will go home next week.

**Small Schools Swimming Carnival**

Wyaliba PS are hosting the small schools swimming carnival again this year. It will be held at the Glen Innes Swimming Pool on Tuesday 12<sup>th</sup> December. Permission notes with more information will go home next week.

**End of Year Presentation Night**

Students will commence dress rehearsals on Monday 27<sup>th</sup> and most of our rehearsals will now take place at the hall. If students are bringing their own Christmas shirt and head piece for the dance, these need to be at school by Monday 27<sup>th</sup>.

**Rotary Awards Night**

Each year the Glen Innes Rotary host Youth Citizenship Awards. There is a very clear criteria for schools to consider when nominating their awardee. Congratulations to Ellie-May Williamson who was nominated from Deepwater PS.

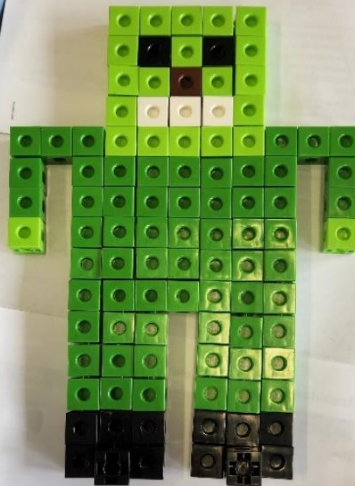

Christmas Tree

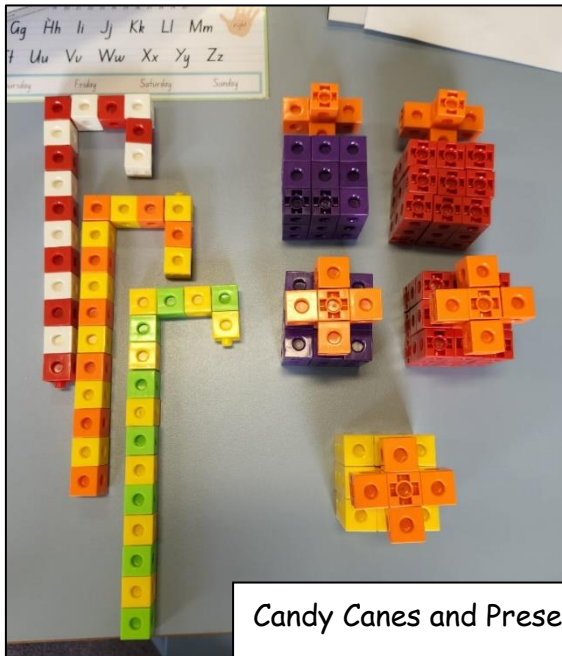

**Christmas Creativity in K-2**  
Students in K-2 have been using their creative side to build models of Christmas inspired people and objects using the unifix blocks.

Check out their creations!
